Have you heard about the **EXOTICA PICTORIAL CYCLOPEDIA OF INDOOR PLANTS?** This book is very very important to every one in the florist, nursery, plant and kindred lines!!!!

It contains over 4,000 clear photographs, over 200 line drawings and charts and over 100 other illustrations of plants and their arrangement and culture.

Also, 3000 common names, cultural directions, plant arrangements in homes, commercial places, and, in short, everything one would like to know about indoor plants.

Nothing like it has ever been made available.

Price . . . \$17.50 per copy, plus shipping charges. Orders mailed same day received.
